EVENT TYPE	Webinar	ORGANISER	EURAXESS Meeting Point Vienna
LOCATION	Austria, Online		

On February 28, the EURAXESS Meeting Point Vienna invited internationally mobile researchers (doctoral to postdoctoral level) working in Austria to join an online session on taxation. Along with a better understanding of the tax system in Austria, participants got some advice on tax and social security benefits relevant for researchers, and learned where to look for further information and support.

This event marked also the launch of the completely revised edition of the Taxation Guide for Researchers in Austria.

Here you can find the recording of the tax advisors' presentation (Dr. Clemens Endfellner and M.Mag. Christoph Heugenhauser, KPMG) and the slides Webinar Taxation for Researchers slides (465.7 KB)

ERA-NAP Initiative 03: „Stärkung der Humanressourcen für Wissenschaft und Forschung in Österreich“

Das Ziel der AG der Hochschulkonferenz „Karrieren in der Forschung im Kontext des europäischen Forschungsraums“ ist es, Empfehlungen zu durchlässigen und nachhaltigen Karrieremodellen im österreichischen Hochschul- und Forschungsraum unter Berücksichtigung der Entwicklung des europäischen Forschungsraums zu entwickeln.

Maßnahme 3.3 „Weiterentwicklung von EURAXESS im Rahmen des Projektes ERA Talent Platform“

- Erweiterung von EURAXESS zur **ERA Talent Platform**: Optimierung von Services zur Unterstützung von Forschenden und Einrichtungen in vielfältiger Hinsicht – internationale und intersektorale Mobilität, Entrepreneurship, Erwerb von Kompetenzen, Karriereentwicklung (Trainings, Mentoring)
- **Ziele**: Erhöhung der **Sichtbarkeit** der Plattform; weiterer **Ausbau des Talent Management Services** an österreichischen Hochschulen und Forschungseinrichtungen; **verstärkte Integration von internationalen Forschenden** in Österreich
 - Erstellung eines nationalen Maßnahmenkatalogs (Weiterentwicklung der nationalen Plattform sowie Mitarbeit bei länderübergreifenden Themen) – Umsetzung und Evaluierung der Maßnahmen – Weitergabe von erworbenen Erfahrungen über Communities of Practice im EURAXESS-Netzwerk national sowie in ganz Europa

- Additional services for institutions should include, among others, the **creation of Communities of Practice** on the sub-processes of talent management (recruitment, selection, integration in the culture of the host country, rewards and skills, recognition and motivation of high-potential researchers, etc.).
- Such centres should facilitate best practice sharing and are expected to keep their R&I communities informed and engaged on new ERA policy measures in the respective areas.
- A specific focus on fostering **gender equality** in talent recognition, including through targeted support for women researchers, and also addressing mobility-related **dual career** and **work-life balance** issues.
